How to Measure

NECK ~ For dress shirts, measure around the base of the neck (keep one finger between the neck and the tape measure).

SLEEVE ~ Place hand on hip (with arm bent at 90 degrees). Measure from the middle of the back of the neck, across the shoulder, and down the arm to the wrist.

CHEST ~ Raise arms slightly and measure across the shoulder blades and the fullest part of the chest.

WAIST ~ Measure around the waistline (place tape measure where pants are normally worn). Again, keep finger between tape and body to ensure an accurate and comfortable fit. (BELTS ~ Add two inches to the waist measurement.)

HIPS ~ Stand with heels together and measure around the fullest part of the hips.

INSEAM ~ Measure from the crotch seam (where the pant legs join) to just below the ankle (or desired length).
