**How to Measure**

**NECK** ~ For dress shirts, measure around the base of the neck (keep one finger between the neck and the tape measure).

**SLEEVE** ~ Place hand on hip (with arm bent at 90 degrees). Measure from the middle of the back of the neck, across the shoulder, and down the arm to the wrist.

**CHEST** ~ Raise arms slightly and measure across the shoulder blades and the fullest part of the chest.

**WAIST** ~ Measure around the waistline (place tape measure where pants are normally worn). Again, keep finger between tape and body to ensure an accurate and comfortable fit. (**BELTS** ~ Add two inches to the waist measurement.)

**HIPS** ~ Stand with heels together and measure around the fullest part of the hips.

**INSEAM** ~ Measure from the crotch seam (where the pant legs join) to just below the

ankle (or desired length).

*Size chart reflects the manufacturer's specifications for the size of the garment.*
